## WHO IS JASON JAY SMART

Jason Jay Smart is an **American political strategist** who has worked in the 2008 and 2016 US Presidential Elections. He has worked for Parliamentary and Presidential political parties in the United States, South America, Europe, Central Asia and former Soviet States.

*“A real professional who has worked in over nine countries. This is a high-level specialist, a continuation of the kind of American consultants who have been here for a long time. He is a mixture of Paul Manafort and a scientist. This is a very high-quality consultant.”*

– Sergey Kostezh, *The Fourth Power*

## AREAS OF EXPERTISE

- Campaigns and elections;
- Politics of the United States, Eurasia and South America;
- US and Russian foreign policy;
- Character assassination and reputational attacks.
